Helena, Mt 59620-3003

Dear Clerk:

I hope the court will not change what we call marriage between a man and a woman. Or penalize an attorney for calling it that.

Why would we all of a sudden change what we have called marriage because of liberal beliefs?

The U.S. has given muslims rights to pray in schools and taken them from Christians, looks like this is similar.

As a Christian, lets not penalize attorneys or anyone else for referring to marriage as between a man and a woman. If other joining is called a marriage maybe it is just for convenience.

Yours truly,
